

Power distribution companies

1. Transformers of current and voltage distribution of Isfahan power station in 2016
2. Yazd Regional Electricity Project Zangan Distribution Company, 2015
3. Kerman Regional Electricity Project, Zangan Distribution Company, 2015
4. EIED Energy Engineering Project of Zangan Distribution Company in 2015
5. Sangan Steel Project, Zangan Distribution Company, 2015
6. Steel Engineering Project of Zangan Distribution Company in 2015
7. Nardis project of Zangan Distribution Company in 2015
8. Asphalt Project Tos Zangan Distribution Company 2015
9. Iraq Project of Zangan Distribution Company in 2015
10. The Bad Aryan Project of the Zangan Distribution Company in 2015
11. Roshan Gostar Toos Project, Zangan Distribution Company, 2015
12. Types of current and voltage transducers for power distribution in Alborz province in 2015
13. Zangan Distributor Energy Distributor Project, 2015
14. Zandan Distribution Company Taban Water Development Project, 2015
15. Alumina Project of Zangan Distribution Company in 2015
16. Dolagh Company, Zangan Distribution Company, 2015
17. ELS International Project Zangan Distribution Company in 2015
18. Condensation Project of Zangan Distribution Company in 2015
19. Project of Khayyam Shid Neyshabour Power Plant Zangan Distribution Company in 2015
20. Projection product project of Zangan Distribution Company in 2015
21. Types of Transforms of Voltage and Current of Power Distribution Company of Kurdistan Province in 2012
22. Transforms of current and voltage of power distribution company in Isfahan province
23. Transitions of current and voltage of Kurdistan power distribution company 2011

Power distribution companies

24. Transmissions of Voltage and Voltage Power Distribution Company of West Mazandaran Province 2011
25. Transforms of Voltage and Fiscal Power Distribution in Fars Province 2011
26. Variants of current and voltage transmissions of power distribution company in Isfahan province. 2011
27. Types of current and voltage transducers of power distribution company in Isfahan province. 2011
28. Project No. 14, Isfahan Power Distribution Company, 2010
29. Tender tender 719187, Isfahan Distribution Company, 2010
30. Trans Alternative Project, Kurdistan Power Distribution Company, 2010
31. Project No. 1, Power Distribution Company of Kurdistan Province, 2010
32. Project 039/89, Isfahan Steel Power Distribution, 2010
33. Project No 16, Isfahan Power Distribution Company, 2010
34. Project No. 17, Power Distribution Company of Isfahan Province, 2010
35. The project of the wing and steel posts, Hormozgan Power Company, 2010
36. Project No 18, Isfahan Electricity Distribution Company, 2010
37. Project No. 19, Isfahan Power Distribution Company, 2010
38. Project No. 20, Isfahan Power Distribution Company, 2010
39. Project No 12, Isfahan Power Distribution Company, 2009
40. Project No. 1, Distribution of Electricity Power Districts of Tehran Province, 2009
41. Project No. 13, Isfahan Power Distribution Company, 2009
42. Project No. 1, West Azarbaijan Power Transmission Company, 2009
43. Project No. 3, Electricity Distribution Company of East Azarbaijan, 2009
44. Continuation of tender 652/862, Isfahan Electricity Distribution Company, 2008
45. Tender tender 879/719, Distribution of electricity in Isfahan province, 2008

Power distribution companies

46. Project No. 10, Isfahan Electricity Distribution, 2008
47. Project No. 3 & 5, Power Distribution Company of Isfahan Province, 2007
48. Project No.6, Power Distribution Company of Isfahan Province, 2007
49. Project No. 7, Isfahan Power Distribution Company, 2007
50. Tender project, 652/86, Isfahan Power Distribution Company, 2007
51. Trans Alternative Project, Isfahan Power Distribution Company, 2007
52. TRANSOM TRANSNATIONAL TRANSMISSION PROJECT COMPANY Kamyaran Eram Industry, Power Distribution Company of Mashhad, 2007
53. Continuing bidding bid of 652/86, Isfahan Electricity Distribution Company, 2007
54. External Voltage Transmission Project, East Azarbaijan Electric Power Distribution Company, 2007
55. Tender Contract Extension Project, 652/86, Isfahan Power Distribution Company, 2007
56. Bidding Project, 603/85, Electrical Distribution Company of Isfahan Province, 2006
57. Tender Completion Proposal 603/85, Isfahan Electricity Distribution Company, 2006
58. Tender Completion Project 603/85, Isfahan Power Distribution Company, 2006
59. Project 25% increase in bidding 603.85, Isfahan Power Distribution Company, 2006
60. Project Request 465 and 466, Fares Electricity Distribution Company, 2005
61. Tender 5442/84, Electrical Distribution Company of Isfahan Province, 2005
62. Project (1), Qazvin Power Transmission Company, 2005
63. Power Distribution Company of Isfahan City, 2005
64. Tender Continuation Project -84 / 542, Power Distribution Company of Isfahan Province, 2005
65. Kermanshah Power Distribution Company, 2004
66. Power Distribution Company of Guilan Province, 2004
67. Transitions of the Electric Power Distribution Flow in Fars Province-2002-2003
