

# Regional electricity companies

1. Faraday Regional Electricity Project in 2016
2. Project of Mahmoud Abad Qom Power Plant in Tehran, 2016
3. Boeing Project, Tehran Regional Electricity Authority, 2016
4. Variants of voltage and current transmissions of the regional power company of Khuzestan in 2015
5. Variants of voltage and current transmissions of Tehran Electric Power Company in 2015
6. Tyres of Trence Types of Current and Voltage of Sistan and Baluchestan Electricity Company in 2015
7. Transformer Voltage and Current Power Distribution Company of Kurdistan Province in 2015
8. Types of Transforms of Voltage and Current Shemiran Electric Company in 2015
9. Types of Transforms of Current and Voltage of Zanjan Regional Electric Company, 2014
10. Tyres of Transmission Types of Yazd Regional Electric Company in 2014
11. Project of the 63rd Meybod Project of Yazd Regional Electricity Company in 2014
12. Types of Transforms of Current and Voltage of Zanjan Regional Electric Company, 2014
13. Variants of current and voltage transmissions of Tehran Regional Electric Company
14. Types of Voltage Transforms of Power Distribution Company of Fars Province in 2014
15. Saleh Abad Power Project, West Regional Electric Company, 2013
16. Variants of voltage and current transmissions of Zanjan Regional Electricity Regional Electric Company in 2012

## **Regional electricity companies**

- 17.Types of Voltage Transforms and Flows of Fars Regional Electric Company in 2012
- 18.Guidance project project of West Regional Electric Company
- 19.Transitions of current and voltage of Sistan and Baluchestan Regional Electric Company 2011
- 20.Transmissions of current and voltage of Tehran Electric Power District , 2011
- 21.Project 1191090 West Regional Electric Company, 2011
- 22.Guidance project of West Regional Electric Company
- 23.Types of current and voltage transitions of the power company in the region of Fars. 2011
- 24.Variants of current and voltage transitions of Khuzestan Regional Electric Company 2011
- 25.Types of current and voltage transmissions of Zanjan Regional Electricity Company 2011
- 26.Behbahan subsidiary project of Khuzestan Regional Electric Company 2011
- 27.Types of current and voltage transistors of the West Electric Company in 2010
- 28.Variants of current and voltage transitions of Western Power Company
- 29.Borujerd Substitute Project 2, West Electric Company, 2010
- 30.Project Contract 88022075, Regional Electricity of Khuzestan, 2010
- 31.Project No. 10, West Regional Electricity Company, 2010
- 32.Project No. 4, Zanjan Regional Electricity Company, 2010
- 33.Spare parts contract, 2.94, 2.9, Mazandaran Regional Electric Company, 2010
- 34.Project 245-2 / 88, Mazandaran Regional Electricity Company, 2010
- 35.Project No.6, Isfahan Regional Electricity, 2010
- 36.Trans-Joghizin Project, Tehran Power Distribution, 2010

## **Regional electricity companies**

37. Saveh & Khorramabad Trans-Trans Alternative Project, Bakharn Electric Power Company, 2010
38. Khuzestan Electric Alternating Transmission Project, Khuzestan Regional Electric Company, 2010
39. Post project 20/63 kV, Ghahavand Regional Electric Company, 2009
40. Project 4 Posts 63/20 Fuzzi Esfahan, Sepahan Tavak Gostar Co., 2009
41. Guidance project post, West Regional Electricity, 2009
42. Project No. 4, Fars Regional Electricity Company, 2009
43. Project No.1, Regional Electricity Company of Khorasan, 2009
44. The contract is 2.888, Mazandaran Regional Electric Company, 2009
45. Project No 3, Zanjan Regional Electricity Company, 2009
46. Project Contract 88012066, Regional Electricity of Khuzestan, 2009
47. Project No. 5, Isfahan Regional Electricity Company, 2009
48. Project No. 9, Western Regional Electricity Company, 2009
49. Project of 75 Transistor Voltage Transmitters, Fars Power Company, 2009
50. Project of 105 Trans-20kV Transformers, Fars Regional Electricity, 2009
51. Replacement Transform Project, Bactrian Regional Electric Company, 2009
52. Alternative Transform Project for Dasht Abbas Project, West Electric Company, 2009
53. Project No. 7, Regional Electricity of Sistan Baluchestan, 2008
54. Transformation project of the Ershad Post (2), Regional Electricity West, 2008
55. Project No. 8, Regional Electricity of Sistan and Baluchestan, 2008
56. Project No.1, Regional Electricity of Khuzestan, 2008
57. Project No. 2, Fars Regional Electricity, 2008
58. Project No. 1, Najaf Abad Regional Electricity, 2008
59. Project No.4, Isfahan Regional Electricity, 2008
60. Project No. 9, Regional Electricity of Sistan and Baluchestan, 2008

## **Regional electricity companies**

61. Project No.1, Mazandaran Regional Electricity, 2008
62. Project No 10, Regional Electricity of Sistan and Baluchestan, 2008
63. Project No 3, Fars Regional Electricity, 2008
64. Replacing Trans-Rail Projects in Ershad and Dasht-Abbas Post, West Regional Electricity, 2008
65. Project No. 4, Regional Electricity of Sistan and Baluchestan, 2007
66. Project No.2, Isfahan Regional Electricity, 2007
67. Project No. 5, Regional Electricity of Sistan and Baluchestan, 2007
68. Project No.6, Regional Electricity of Sistan and Baluchestan, 2007
69. Alternative Transmission Project, 20 KW, Guidance Station, Western Regional Electricity, 2007
70. Project No. 3, Isfahan Regional Electricity, 2007
71. Project No.1, Regional Electric Company of Khorasan, 2006
72. Project No. 7, Khuzestan Regional Electric Company, 2006
73. Project No.2, Zanzan Regional Electricity Company, 2006
74. Project No. 8, Khuzestan Regional Electric Company, 2006
75. Project No. 3, Regional Electricity of Sistan and Baluchestan, 2006
76. Project No.1, Isfahan Regional Electricity Company, 2006
77. Regional Electricity Company of Baku, 2005
78. Project (1), Fars Regional Electricity Company, 2005
79. Regional Electric Company of Sistan and Baluchestan, 2005
80. Project (2), Khuzestan Regional Electric Company, 2005
81. Zhubin Niro Project (Regional Electricity Yazd), Pars Tablo Co., 2005
82. Project (5), Khuzestan Regional Electric Company, 2005
83. Project (2), Regional Electric Company of Sistan and Baluchestan, 2005
84. Kordestan Power Company-Regional Electricity West, 2004
85. Yazd Regional Electric Company, 2004
86. Project (2), Yazd Regional Electric Company, 2004

## **Regional electricity companies**

87. Khuzestan Regional Electric Company, 2004
88. Project (1), West Regional Electricity Company, 2004
89. Project (2), Khuzestan Regional Electric Company, 2004
90. Project (1), Isfahan Regional Electricity Company, 2004
91. Project (3), Khuzestan Regional Electric Company, 2004
92. Transmission flows of Kermanshah Electric Power Human Resources Company -1380
93. SAPTA-Transmission Transmission Company of the Outdoor Power Supply Company of Tehran Electric Power Distribution Zone (2000-2001)
94. Sapta Transformers Outdoor Transmission Company, Tehran Electric Power Distribution Zone, 1998-1999
95. Transmission of electricity and voltage of the regional electricity of Azerbaijan - 132/132 kV of Mahabad 1999
96. West Regional Electricity Current and Voltage Transitions, 63/19 KVA Avon and Negle-1999
97. Transmission of Semnan Regional Power and Power Voltage - 63/195 KV Miami-1999
98. Hormuzgan Regional Outdoor Electricity Output and Transmission Transitions -1999
99. West Regional Electric Power Voltage Transmissions - 63.20 KVA Volt-1999
100. Transmission of electricity and voltage of the regional power of Azerbaijan - 63.20 kV post Qara Ziauddin-1999
101. Hormozgan Regional Electricity Current and Voltage Transitions - 63.20 KW Jask-1999
